An Apple A Day: Old-Fashioned Proverbs and Why They Still Work (Paperback)

By Caroline Taggart

Michael O'Mara Books Ltd, United Kingdom, 2013. Paperback. Condition: New. Language: English. Brand new Book. Does absence really make the heart grow fonder? Can beggars be choosers? Is it always better late than never? Proverbs are short, well-known, pithy sayings that offer advice or words of encouragement and are used in everyday English without much thought ever being given to their meanings, or indeed, usefulness. In An Apple A Day Caroline Taggart explores the truth behind our favourite proverbs, their history and whether they offer any genuine help to the recipient. Did you know that The Old Testament has an entire book devoted to proverbs? Or that 'a bird in the hand is worth two in the bush' is a proverb from falconry that dates back to the Middle Ages? Many proverbs are still in use today, including the very famous 'slow and steady wins the race', which derives from one of the many fables of Aesop. Lighthearted but authoritative, An Apple A Day proves that proverbs are as useful today as they ever were.

Reviews

Merely no words to describe. I have got study and i am confident that i am going to planning to go through yet again once again in the foreseeable future. You will like just how the writer compose this publication.

-- **Devante Schmitt**

Complete guideline! Its this sort of excellent read. I could comprehended every little thing out of this written e publication. Its been designed in an remarkably easy way and it is only right after i finished reading this publication by which really transformed me, affect the way i think.
